## **CLEAN CITIES CONGRESS AND EXPO 2006**

### **PHOTO OPPORTUNITIES**

Listed are media Photo Opportunities

#### **Sunday, May 7, 6:30 p.m., Bentley Project**

The nationally known percussion theatrics group, "Rhythm Extreme" creatively promotes General Motors at the opening Congress reception.

#### **Monday, May 8 8:00 a.m., Hall A**

General Motors and American Honda have their spectacular "Conference welcomes."

#### **8:20 a.m., Hall A**

U.S. Senator John McCain (R-AZ) delivers a keynote welcoming address.

#### **Tuesday, May 9**

#### **3:00 p.m.-5:30 p.m., East Perimeter of the Convention Center**

##### **Ride-n-Drive**

Come and test drive the latest alternative fuel/advanced technology vehicles. Twenty vehicles are available to take for a spin including Honda's hydrogen fuel cell 2005 FCX, GM's E85 Chevrolet Avalanche, propane fueled Ford mustang, and Toyota's Prius and Highlander.

#### **6:30 p.m.-Closing, Cooper'stown Closing Night Reception**

Bill Ball is the Tucson Unified School District fleet manager by day, and by night he indulges a different passion. "Still Cruisin'" is a band founded by Ball, and they are southern Arizona's most popular 70's and 80's rock band. Great music combined with some theatrics worthy of Coopers'town mark the evening.
